# 2017 HSE Management Conference

## Safety | Health | Emergency

June 8, 2017 • InterContinental Bucharest • Romania

### KEY ASPECTS

The **2017 HSE Management Conference** is set to be a must-attend event for everyone across the industry and beyond. It is expected to attract international and local industry specialists, operational and HSE staff, key service providers, government representatives and regulators.

It provides an essential forum for the industry to share knowledge, lessons and expertise and work together to achieve high HSE standards across all of the industry's activities.
